LINCOLN'S OPENING.

An Elaborate Programme and Flag Presentation To-day.

MR. CRAGO TO DELIVER AN ADDRESS

And Present the Flag Into the Keeping of the School-Other Features of the Programme, Afternoon and Evening-Description of the Building Which Is the Finest South of the Ohio.

The new Lincoln school building, situated on the sight of the old burned structure at the head of Tenth street, is to be formally dedicated and opened with appropriate exercises this afternoon and evening, and it will be an event of extraordinary importance to the colored people of Wheeling. The patrons of Lincoln school are pardonably proud of the new building, which without doubt is the finest colored school house south of the Ohio river.

At the exercises this afternoon the Junior Order of American Mechanics will present a fine United States flag; Prof. F. H. Crago, of Ritchie school, this

THE NEW BUILDING.

Nearly a year ago, in April, 1893, the board of education decided to replace the burned structure with a new and

board of education decided to replace
the burned structure with a new and
finer building, and the board's architect.
Mr. M. F. Geisey, was instructed to prepare the plans. These were submitted
to the building committee and to the
board, and accepted, and in the same
month the board awarded the contract
to Shrake & Sons, of New Matamoras,
Ohio. Work was commenced early in
June, and has been prosecuted steadily
ever since. To-day the completed building is a sterling testimonial to both
architect and builders.

It is constructed of stock brick, two
and one-half stories in height, and contains nine large nicely ventilated and
lighted rooms. The basement is also
well lighted and contains in addition to
two large playrooms, the heating apparatus. On the first floor there are
four school rooms with all the necessary conveniences. Three of these
rooms will be in use as school rooms,
one as a laboratory which is fitted up as
completely as any in the city. On the
morth side of the building is situated
the principal's office. On the second
floor are four school rooms and a class
room, which like those on the ground
floor are finely lighted.

Yesterday nearly all of the teachers

loor are finely lighted.

Yesterday nearly all of the teacher, and a number of the scholars were a and a number of the scholars were at the building putting in pictures and otherwise beautifying the various apart-ments. In the grammar room are pic-tures of the martyred President, Abra-ham Lincoln, and Hon. Benjamin K. Bruce, formerly register of the United States treasury, and one of the form States treasury, and one of the fore-most colored men of the nation.

Following is the corps of instructors at Lincoln: Principal, Prof. J. McIl. Jones; teachers, Miss Emma J. Barner, grammar; Miss Sadie Beasley, A; Miss Mamie McMcchen, B; Miss Ella S. Jones, C; Miss Fannie B. Lee, primary.

Guecke vs. Noel.

At the contest to be made before the Benwood city council next Monday evening, by the defeated Democratic candidate for marshal, Louis Goecke, the Republican side will be represented by Messrs, B. B. Dovener and G. W. Atkinson, of this city, and Prosecuting Attorney T. J. Parsons, of Mondaville, The contest promises to be a lively one, but the Republicans think they will be able to show that Ed Neel is entitled to able to show that Ed Noel is entitled to the verdict.

"Forgiven" at the Grand. "Forgiven" at the Grand.

The drama "Forgiven," made famous by Fred Bryton, is now running at the Grand, the role of Jack Diamond being taken by Frank Drumier. Both he and the support are excellent, and the beautiful and thrilling play has seldom been better acted. It should have large audiences this afternoon and evening.
